

GENERAL TERMS AND CONDITIONS EUROHORSE STALLIONS SEASON 2020

- The frozen semen is sold per straw
- For fresh semen of Emerald see contract for conditions
- Eurohorse does not give guarantee for pregnancy/live foal
- The mare is inseminated at the expense and risk of the mare owner
- Eurohorse is not responsible for any damage/loss during semen transport
- By ordering and paying the semen the buyer declares to have taken note of the breeding and payment conditions and agrees to these conditions

ORDER AND PAYMENT

- Orders can be made online on our website www.eurohorse-stallions.com, by email to emerald@eurohorse.be and by telephone at 0032 471 390 101
- All prices are exclusive 6% VAT (for customers outside Belgium with VAT-number free of VAT), shipping and TRACES
- After receipt of payment (or valid proof of payment) Eurohorse organises the shipping of the semen to the delivery address of the buyer
- The semen can also be collected at New Nordic Horses in Meeuwen-Gruitrode (collection is only possible with container provided by the buyer)

TRANSPORT AND TRACES

- All transport and delivery in the Benelux is done by HippoXpress with a container from Eurohorse, this container will be picked up again at the delivery address by HippoXpress after request from the buyer/veterinarian and returned to New Nordic Horses (contact HippoXpress 0032 50 21 72 45)
- For transport in the Benelux HippoXpress will send the invoice directly to the buyer
- Transport outside the Benelux is done by HippoXpress/TNT with a one way container, the price for this container is 155€, transport costs are invoiced by Eurohorse to the buyer and vary according to the delivery address/country
- Instead of using a one way container the buyer can also choose to send a container to New Nordic Horses to collect the semen
- Semen transport outside the Benelux must be accompanied by health certificates (TRACES), these are drawn up and signed by an official Veterinarian of the FAVV and costs for these documents are 75€ per stallion for Europe and 100€ outside Europe, these costs are invoiced by Eurohorse to the buyer
- TRACES must be requested by Eurohorse at the FAVV before 12.00 AM to be made the following work day
- Transport outside Europe must be organised by the buyer

BREEDING CERTIFICATE / COVER CARD

-For each mare in foal the buyer receives a breeding certificate to register the foal

-The buyer can send the request for the breeding certificate to emerald@eurohorse.be with following details:

- Name, date of birth and UELN of mare
- Name stallion
- Name and address of mare owner
- Date of insemination

ICSI (intracytoplasmatic semen-injection)

-If the semen is intended for ICSI, Eurohorse must be informed when the buyer makes his order

-The first embryo is included in the price of the semen, for every next embryo the buyer pays an extra studfee of €1500 on all mares tested in foal

-The mare owner must send an overview of the mares in foal signed by the veterinarian or ET center before 1 October 2020

-Attempted fraud committed by the buyer is punishable by an unconditional fine of €5000 (excl 21% VAT) per attempt, irrespective of the payable studfee
